Re: Deborah Boyd v. Young Bae Kim, M.D., et al
Case Number 05-11434RGS

Dear Sir/Madam:

Kindly allow this letter to request that a Scheduling and/or Status Conference be held in the above-entitled matter at the earliest convenience of the Court.

This is a medical malpractice action that was transferred to the Suffolk County Superior Court and then to the Norfolk County Superior Court in January 2007 for a Medical Malpractice Tribunal. A tribunal was held on February 1, 2007 and the panel found in favor of the Defendants. Plaintiff subsequently filed an Emergency Motion for Reconsideration of Medical Malpractice Tribunal's Determination, which was denied. Plaintiff next filed an Emergency Motion to Extend Time to File a Bond and an Emergency Motion to Reduce Bond on February 28, 2007. The bond amount was reduced to \$100 and the time allowed in which to file the bond was extended to April 20, 2007. Plaintiff timely filed the bond.

In the interim, the case was "closed" in the present Court. At this time, the parties are ready to proceed with discovery and request that a Scheduling and/or Status Conference be held in this matter so that the case may proceed.
